Response to Requirement for Petition to Correct Filing Receipt

Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Sir:

A Response to Applicant's request for a corrected filing receipt was issued on September 3, 2004 requiring a petition under 37 C.F.R. 1.182 to change one of the listed inventors' names. Applicants respectfully submit that a petition is not required in the above-reference case because the inventor's name was changed in the parent application well before the filing date of the present application.

The above-referenced application was filed on April 20, 2004 as a divisional application of U.S.S.N. 10/066,057 ("057"). In the '057 application, a petition under 37 C.F.R. 1.182, was filed on November 8, 2002, with a Final Judgment for Divorce order, and subsequently a decision granting the petition was issued on May 6, 2003 (documents enclosed for your convenience). As a result, inventor name "Paula C. Zemel" was effectively changed to "Paula C. Carney" as of May 6, 2003 in the parent application.

Moreover, on April 20, 2004, the above-referenced application was filed with an Application Datasheet listing said inventor as Paula C. Carney. However, the Filing Receipt mailed June 30, 2004, listed her name as Paula C. Zemel. On July 20, 2004, Applicants

Applicants Zemel et al.,
Appl. No. 10/827,353

submitted a request for corrected filing receipt, requesting that the name on the filing receipt be listed as Paula C. Carney. On September 3, 2004, the Office mailed a corrected filing receipt listing the correct name, Paula C. Carney. However, the Office also mailed a Response to Request for Corrected Filing Receipt requiring a petition under 37 CFR 1.182 to change the inventor's name. Applicants respectfully submit that the September 3, 2004 Response is moot. In the alternative, applicants request that the requirement for a petition be withdrawn for the above-referenced reasons.

RESPONSE TO REQUEST FOR CORRECTED FILING RECEIPT

Claims, Fees, and Inventors

In response to your request for a corrected Filing Receipt, the Office is unable to comply with the request because:

- ☐ The total number of claims appearing on the Filing Receipt does not include multiple dependent claims. The total fee appearing on the Filing Receipt includes the cost of multiple dependent claims that were present at the time the application was filed.
- ☐ The filing fee is correct. It may include additional claims fees and/or the surcharge under 37 CFR 1.16(e) for filing an oath/declaration or basic filing fee after the application filing date; or it may not reflect fees refunded to the applicant that were paid by mistake.
- ☐ The number of claims reflected on the filing receipt is correct. Upon review of the claims, it was found that there was a miscalculation by the applicant. This may be due to improperly presented multiple dependent claims, typographical error, misnumbering of the claims, or other oversight. An amendment may be necessary to correct the problem.
- ☒ A petition under 37 CFR 1.182 is required. In cases where an inventor's name has been changed after the application has been filed and the inventor desires to change his or her name on the application, he or she must submit a petition. The petition must include an appropriate petition fee and an affidavit signed with both names and setting forth the procedure whereby the change of name was effected, or a certified copy of the court order.
- ☐ Applicant calculated fees as other than small entity; however, applicant asserted small entity status in the application. Therefore, fees were applied as small entity and the remainder was refunded to the applicant.
- ☐ The difference between the fees paid and the fees due was refunded to the applicant and will not be shown on the filing receipt.
- ☐ The inventor information may be truncated if the family name consists of more than 50 characters (letters and spaces combined) and if the given name consists of more than 50 characters (letters and spaces combined).

☐ The inventor's residence allows for up to 40 characters (letters and spaces combined).

The inventor's residence will only include the city and state for U.S. residences or city and country for residences outside the U.S. (See MPEP 605.02).

☐

☐ A petition to change inventor's name is needed to make this change. See 37 CFR 1.182. For non-provisional applications, the petition should be directed to the attention of the Office of Petitions. The petition must include an appropriate petition fee of \$130 and an affidavit signed with both names and setting forth the procedure whereby the change of name was effected, or a certified copy of the court order.

☐ Changes made after submission of an executed declaration to the inventor information other than correction of typographical errors must be submitted in the form of a substitute declaration. Change of inventorship requires a petition under 37 CFR 1.48.

☐ The number of drawings shown on the filing receipt reflects the number of drawing sheets submitted and is not necessarily equal to the number of figures submitted.

☐ The correspondence address was captured as directed by applicant on filing. If you wish correspondence to be directed otherwise, please submit a request for a change of address.

☐ Only the first letter of given, middle and family name is capitalized.

☐ The person signing on behalf of the deceased inventor is reflected on the Filing Receipt as the legal representative.

☐ The filing date of a parent application cannot be changed by this request. A petition to correct the filing date in the parent application is required.

This cause came to be heard on the 1 day of March, 2002, before the Honorable Sharon J. Bell, Chancellor of the Chancery Court for Knox County, Tennessee, upon the original Complaint for Divorce filed by Plaintiff; Defendant's Answer and Counter-Complaint for Divorce; Plaintiff's Answer thereto; the Marital Dissolution Agreement and Permanent Parenting Plan executed and notarized by the parties; the testimony of Plaintiff; and the entire record in this cause, from all of which the Court finds as follows:

1. Irreconcilable differences in fact exist in the marital relation.
2. Paula C. Zemel and Michael B. Zemel have made adequate and sufficient provision by a written Marital Dissolution Agreement dated the 21 day of Feb, 2002, and Permanent Parenting Plan for the residential sharing time, maintenance, and support of the parties' minor child, Rachel Zemel, and for the equitable settlement of any and all property rights between the parties and said Agreement and Permanent Parenting Plan should be incorporated into this Final Judgment for Divorce.

It is therefore ORDERED, ADJUDGED and DECREED by the Court as follows:

1. The parties are granted an absolute divorce on the grounds of irreconcilable differences and are restored to all the rights and privileges of unmarried persons.
